

International Youth Gathering 2013 20th July - 3rd August in Switzerland

Applicant Form

1. WHAT IS EXPECTED OBLIGATION OF THE APPLICANT – TERMS AND CONDITIONS

You are going abroad as a representative for your country and your IPA National Section will be judged according to the way you conduct yourself. You should therefore remember that you are an ambassador and as such, you are responsible for your conduct and general behaviour.

The object of the trip is to bring you into contact with persons from other countries so that you will get to know their way of life, their thinking and their culture, thus helping to promote better understanding between peoples in the best traditions of the International Police Association. You should therefore try to establish and afterwards maintain contact with your new friends – in other words «be a mixer and become involved».

Every participant will be required to produce a written account of their experience during the Gathering. Participants are prohibited from consuming tobacco and other drugs. You will not be permitted to drive a motor vehicle while at the International Youth Gathering. You will be sent home immediately should the Organisers decide that your actions and conduct are not in the spirit of the International Police Association.

Those who do not agree with these guidelines and are not willing to comply should not apply for the International Youth Gathering.

2. APPLICANT'S AGREEMENT

I, the undersigned applicant, hereby acknowledge that I have read the above Terms and Conditions of the International Youth Gathering and agree to honour them without exception. I further understand that during my period of residence with the International Youth Gathering, I will be responsible to the Organising Committee and to the adult members of any host families.
