## History of WISPA - WorldWide Indoor Soccer Police Association

At the dawn of the new millennium in 1997, the Police from Wavre (Belgium) wanted to create an event which was out of the ordinary, this resulted in a week long international manifestation, encompassing an official opening with flags and uniforms, an indoor football competition, a Police seminar, cultural activities, local folklore, excursions... This manifestation meet with great enthusiasm and very positive feedback from the various players.

The outcome of this 1st World event in 2000, an event that the European Commission was a sponsor, the WorldWide Indoor Soccer Police Association (WISPA) came into being, within its sight repeating this event abroad every year. So WISPA has been held in Spain (2001), Barbados (2002), South Africa (2003), Canada (2004), Brazil (2005), France (2006), China (2007), Ukraine (2008), New Zealand (2009), Belgium (2010 for the 10th anniversary), Russia (2012), for the second time in his history, in Brasil (2013), in Jordan (2014), in Poland (2015) last year and this year in the beautiful city of Sarajevo.
