International Futbol 5 Outdoor Tournament

Porec - Istria - Croatia

www.polician.com

Dear 5-a-side friends,

Since 1995 we're involved in the organisation of 5-a-side soccer tournaments. Indoor and outdoor.

The 20 years "World Police Futsal Tournament" in Belgium (World championship for Security teams with 80-120 teams), the 9 years "Copa del Mar" (our twin event) and now already the 4th edition of this WPFT GOLD CUP.

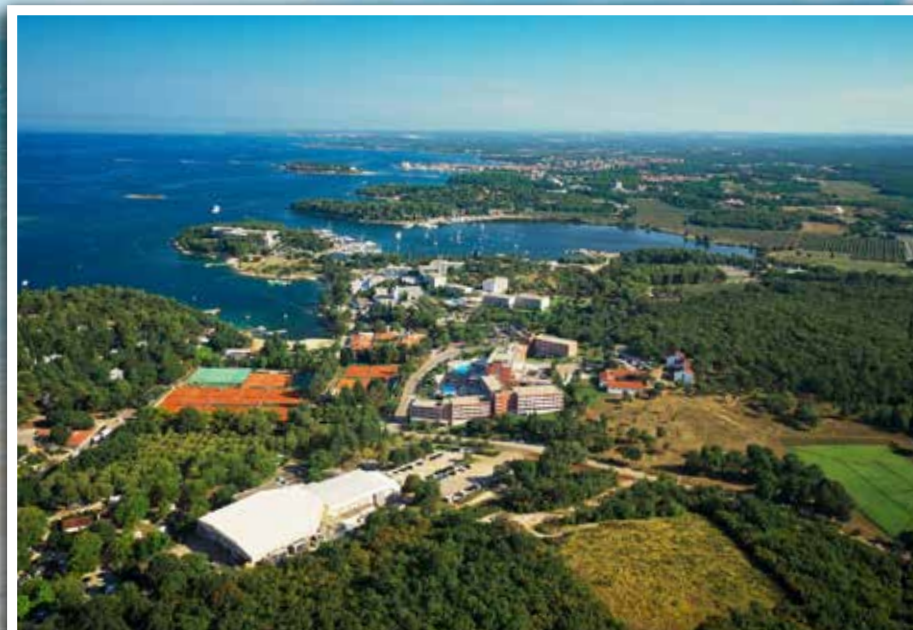

Our experiences have learned us many things over all these years. This leads to why we moved from Spain to Croatia.

Portugal & Spain has already been our host for some editions and some other tournaments also are organized in Spain.

For us, as Mid-Europeans, these countries look very logic to choose, but if you're living in the Eastern-European countries is Portugal, the ultimate corner of West Europe.

Look at the fact that most of the participants are coming from these Eastern European countries... and know how difference the financial effort is between East & West to participate in our tournaments. Another good point to shift from Spain to Croatia.

For the fans of the Iberian countries, a small message, that they can find the 10th COPA DEL MAR in the Algarve in 2019.

Croatia, or specific the ZELENA LAGUNA hotel area in Porec, where many of you have good memories, has invested a lot of energy in renovating the hotels and construction of new football fields.

Last year we had the honour to check the newest generation of artificial grass fields with a certified label of the FIFA organisation. Instead of rubber they use cork between the artificial grass implants.

The green environment in Zelena Laguna, the peaceful rest of the bay and the deep blue sea make this the perfect base for our future editions of this event.

If you like to experience it again, great!

If it's your first time and you like to learn to know it, be aware that it is dangerously addicted and you'll be back!

Your hosts,
Lisbeth & Marc
