Montenegro wild beauty... <https://www.montenegro.travel/en/>

The picturesque country of Montenegro is a country situated in the southeastern part of Europe. The country of Montenegro, apart for its scenic mountains, is also known for its out-of-the-world beaches that owe their existence to the proximity that the country enjoys with the Adriatic Sea.

Bordered by the clear sea, covered with white rocks, sunlit by the Mediterranean sun, Montenegro is one of the last European oases to which one can flow from the dynamic tempo of civilization and rest by the soft sound of the waves, the song of crickets and the intoxicating scents of miscellaneous vegetation. When you reach Montenegro, through whichever "door" you enter, you will encounter intact nature and be welcomed by hospitable, proud and friendly people.

The Capital is Podgorica and Budva is the most visited city in Montenegro. As unique scenery, in Montenegro you have to visit the 1300 meter deep canyon of the River Tara, the deepest one in Europe, second in the world after the Grand Canyon of the Colorado River in America. If you wish to stop and rest – to fill your lungs with clean air, and your eyes with the beautiful landscape, many belvederes or meadows located on plateaux, places of peace and serenity, are waiting for you... In Montenegro, you will be greeted by people, who have learned, through tradition, to respect a well-intentioned guest. You shall be welcomed by people loyal to the country they live in, loyal to the moral, customs and history.

Transportation

You can get in Montenegro by plane, train, car, bus or by boat. There are 2 international airports in Montenegro, Podgorica and Tivat. Podgorica airport is located 60 km from Budva and has daily scheduled flights to various world destinations. Tivat airport is the ideal choice for arrival on Montenegrin coast. It is only 20 km away from Budva.

Another possibility is to use Airport in Dubrovnik in Croatia which is 16 km away from Montenegrin border (please note that we will organize transport only from airports and bus stations in Montenegro). There are several low cost companies so you can get to Montenegro cheap from almost all European cities.

Montenegro has a railway line connecting Bar to Belgrade which connects it with the European railway net.

Montenegro is easily accessible by road from Croatia, Serbia, Albania and BiH.

Montenegro is connected to the rest of Europe by ferry through Italy.
