New wording for Letterheads

The IPA now has representation at Europol in The Hague. We take this opportunity to thank Henk Klap, Vice President of the Netherlands Section, who has taken on the role, in liaison with the ERC.

This means that Sections should now use the following wording on their headed paper:

“NGO in Consultative (Special) Status with the Economic and Social Council of the United Nations; in Consultative Status with the Council of Europe and the Organisation of American States; International NGO maintaining operational relations within UNESCO **and Europol.**”

37th IEC Bucharest

If any Delegates intend to show presentations in Romania, please remember they should not last for longer than approximately 5 – 8 minutes and must be handed to Stephen Crockard before the start of the conference. Presentations had previously been requested on a memory stick only but can now also be accepted on a CD if preferable. All ‘tourist’ type videos – i.e. relating to future conferences, Friendship Weeks, IYG’s etc. that have been shown during the conference may also be shown in the evenings for the benefit of visitors.

Agenda packs for Delegates have now been posted to the official address of each National Section, and also sent on e-mail to IPA Presidents and Sections, in order that National Executive Committees may discuss the various items, motions etc. before the event.
